

**REMARKS**

Claims 1 and 3-16 are pending in the application. Claims 4-8 and 10-15 are withdrawn by the Examiner. In the Amendment filed on March 13, 2006 and entered in response to the Request for Continued Examination, Applicants inadvertently incorrectly indicated the status of claim 16. In response to the Rejection under 35 U.S.C. 112, second paragraph alleging that "depicted" in claim 16 renders the claim unclear, Applicants changed the claim to recite "having" as suggested by the Examiner, thereby obviating the rejection. Applicants now submit a corrected claim set properly indicating the amendment and status of claim 16.

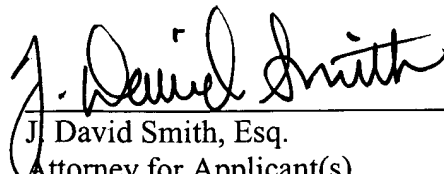

***Fees***

No fees other than the extension fee enclosed herewith are believed to be necessitated by the instant response. However, should this be in error, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or to credit any overpayments.

**CONCLUSION**

Entry of the foregoing reply into the record is respectfully requested. An early allowance is earnestly sought.

Respectfully submitted,
